## Service at Snellenburg's

The underlying policy of the Snellenburg Store is one of Service. First and foremost is the service which provides merchandise for your personal use or for your home, at real savings. This is the service which has made Snellenburg's "The Store for Thrifty People"—the Store where you always can depend upon getting what you want at a lower price.

But our service goes much further than the mere selling of merchandise. It provides conveniences for shoppers which enable them to accomplish under one roof the many things which might otherwise involve considerable inconvenience, incurring time and expense.
